ADDITIONAL INFORMATION

Benefits

Compensatory positioning: this will be determined under the terms of article 35, paragraph 1, of ECPDESP

Eligibility criteria

1. Selection Methods:

1. The evaluation method to be used is that of curriculum evaluation, through which the aim is to evaluate technical-scientific and professional performance, pedagogical capacity, and the exercise of other activities relevant to the institution's mission in the area in which the competition is open, being considered the following parameters, to which the indicated weight was attributed:

1. Technical-Scientific and Professional Performance (DTCP): 35%
2. Pedagogical Capacity (CP): 40%
3. Other Relevant Activities (OAR): 25%

Selection process

Application :

Authorized photocopy of the identification document; Consented photocopy of the tax identification card (if you do not have a citizen card); Declaration by the candidate under his honour, in which it ensures: Not be inhibited from exercising public functions or prohibited from exercising public functions; Have complied with the mandatory vaccination laws; Possess physical strength and psychic profile that are indispensable for the exercise of the functions to which is applying.

Certified copy, or copy according to the original, of the certificate of academic and professional qualification or other suitable document legally recognized for the purpose, of the diploma of PhD degree and / or certificate of the title of specialist (according to Decree-Law no. 206/2009 of 31 August), or, in case of a foreign degree, certified copy of recognition, equivalence or registration of the degree in Portugal and proof of the professional title of specialist nurse in Medical-Surgical Nursing by the Portuguese Order of Nurses – Ordem dos Enfermeiros.

Six copies of the curriculum vitae, dated and signed, containing all relevant information for the evaluation of the application and the respective supporting documents, organized according to the selection and ranking criteria contained in this notice. In addition, a copy of the curriculum vitae presented in digital format, in non-editable format.

The curriculum vitae must be written in Portuguese, and candidates from foreign countries can write it in English. The curriculum structure must fully follow the “Operationalization of curriculum evaluation parameters and criteria” following the order of the evaluation parameters and items to be evaluated and attaching documents validated by the institutional leaders. The supporting documents attached to the curriculum must be presented in the original language in which they were issued, and their translation into Portuguese or English is mandatory, when these are not the source languages.
