14-Classification: Following the previous point the application classifications are determined as follows:

14.1 The calculation of the Final Classification (CF) of the application will result from the application of the following formula $CF = DTCP (40\%) + CP (40\%) + OAR (20\%)$;

14.2 The calculation of the classification of each of the parameters of the application will result from the application of the following formula:

- a) $PSTN = PPID (25\%) + PDTC (40\%) + OJT (10\%) + OATCP (25\%)$;
- b) $PC = EPES (15\%) + RUC (30\%) + LUCSP (40\%) + OAP (15\%)$;
- c) $OAR = POGO (60\%) + PSCeOA (40\%)$;

14.3. The classifications will be presented to one hundredth (two decimal places);

14.4 According to the parameters, criteria, sub-criteria, and punctuation of the items, and respective weightings stipulated in the present public notice, and that appear in the attached table, each member of the jury will duly value and classify, in a reasoned manner, each candidate. In case of divergence between jury members, resulting from a different appreciation of

the elements presented, the jury will proceed to a joint analysis and will attribute a score for each criterion, according to the curricular items to be valued in each sub-criterion in which there is divergence, and this value shall be considered for the calculation of the classification in each parameter and, subsequently, in the final classification;

14.5 Considering article 22, no. 2, of the Regulation of Recruitment, Selection and Hiring of Teaching Staff of the IPSantarém, for the purpose of the candidates' ranking, which is expressed on a scale from 0 to 100 points, if a score higher than 100 points results, in one or more of the parameters DTCP, CP and OAR, its reduction to the upper limit of the scale will imply the proportional reduction of the scores obtained by the remaining candidates by the highest value found among the candidates.

14.6. In the event of a tie between candidates, after the final score has been obtained, the following tie-breaking criteria will be applied successively (until necessary):

- a) Best score obtained in the Pedagogical Capacity parameter;
- b) Best score obtained in the Technical-Scientific and Professional Performance parameter;

15-Procedures foreseen for the competition and respective calendar: The procedures and norms applicable to the competition are those contained in the Regulation of Recruitment, Selection and Hiring of Teaching Staff of the IPSantarém, that can be consulted in Regulation no. 558/2010, published in the Official Gazette, 2nd series, no. 122, of 25 June.

16-Composition of the jury:

16.1 The jury is composed of the following elements:

(a) President:

Doctor Luís Filipe Cid Serra, Coordinating Professor at the Rio Maior Sports School of the Polytechnic Institute of Santarém.
