Equipa:	Sandra Margarida Bernardes de Oliveira; João António Marujo do Nascimento; Ana Cristina de Castro Loureiro.
Data da aprovação:	-
Data de início:	2022/12/01
Data da conclusão:	2024/12/30
Domínio científico e subárea científica:	-
Resumo (objetivos, atividades e resultados esperados) - em PT e/ou EN:	INT4FURN project aims to promote entrepreneurship among micro_SMEs and young people and thus create high-quality new employment and internationalisation opportunities. Internationalisation training course will be designed to provide young micro-entrepreneurs with the basic business skills and digital business opportunities in

	<p>an international environment in order to develop their business.</p> <p>The main objectives of INT4FURN project are as follows:</p> <p>OB1: to support participating micro-SMEs in VET and further training activities in the acquisition and the use of knowledge, skills and qualifications related to internationalisation in furniture sector.</p> <p>OB2: to develop an ECVET compliant dedicated internationalisation course including curriculum, training content and materials that will allow target groups to learn (remotely) at their own place.</p> <p>OB3: to develop an innovative self assessment tool for measuring the readiness for entering in global markets and identifying required competences</p> <p>OB4: to support curriculum and course with instructive engaging training videos and training materials, hosted on Digital Internationalisation Learning Hub.</p> <p>OB5: to develop innovative online and mobile ICT-based tools for supporting training course.</p> <p>OB6: to improve the co-operation between institutions and business, in other words, between theory and practice.</p> <p>OB7: to reduce the risk of failure of the micro-SMEs in furniture sector in entering international markets.</p> <p>OB8: -to raise awareness of micro-SMEs and young people about entering new markets and trading in an international environment</p>
