Alliance**

What are we aiming at?

PEOPLE

Education, Research,
Administrative staff
Students

Regional stakeholders

Public society

COLLABORATION TOOLS:

Virtual and Physical
Infrastructure **CAMPUS** for:

**EDUCATION > RESEARCH >
INNOVATION**

Develop
Elaborate
Design
Implement:

students and life-long learners

regional stakeholders:
business, industry,
NGOs, governments, etc

Service for civil
society

STARS EU aims

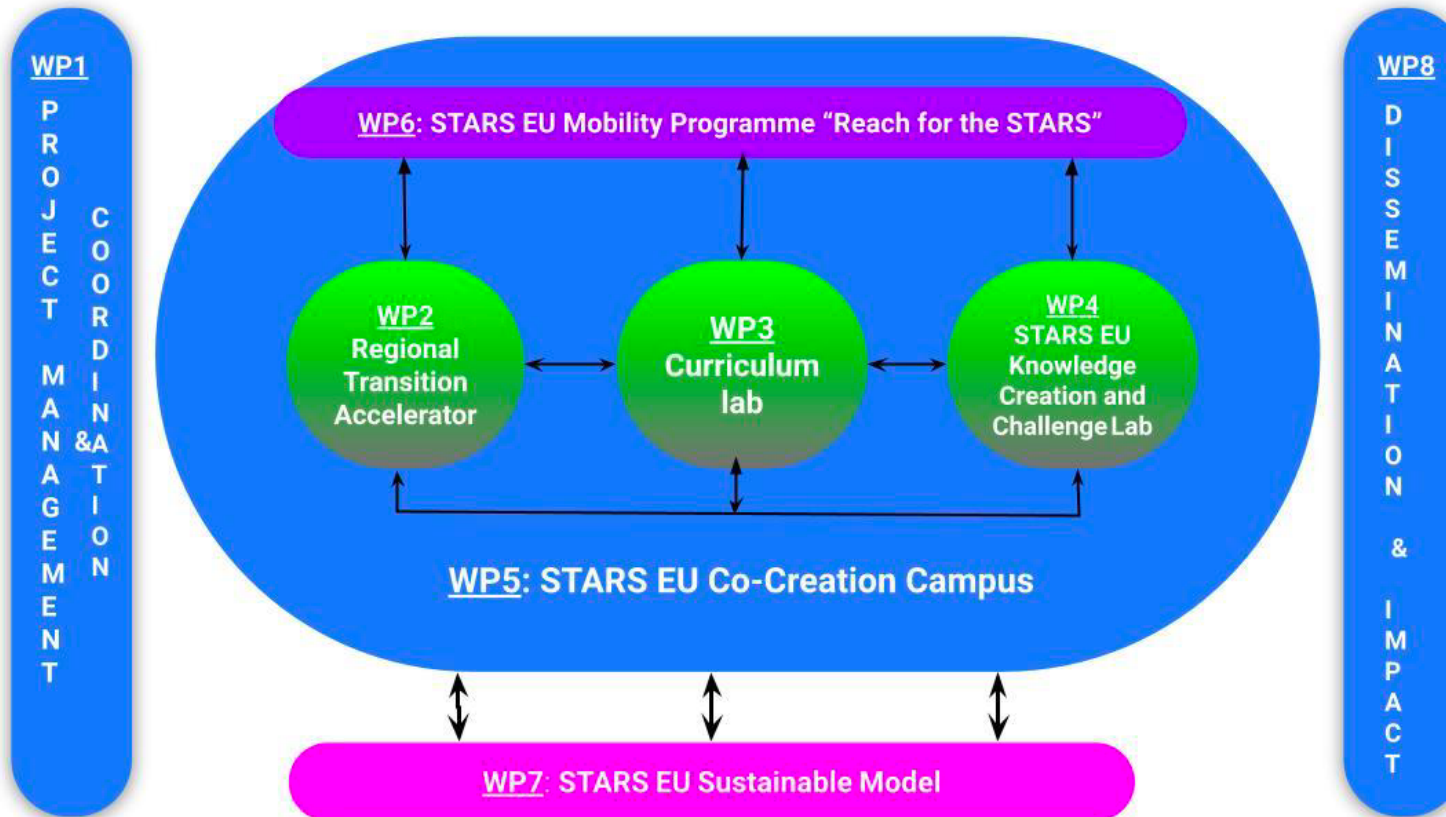

European Universities are transnational alliances that will become the universities of the future, promoting European values and identity, and revolutionising the quality and competitiveness of European higher education

European Commission

to build an Alliance of truly engaged Universities to establish the STARS European University (STARS EU) seeking to create

- ✓ a new future-oriented students' generation
- ✓ innovative, flexible and diverse, challenge-based educational and research systems
- ✓ which will contribute to the twin transition and sustainable development of regions and Europemaking a high impact

STARS EU Thematic Interest Groups

Living Spaces

..and more..?.
